

2° International Champhionship of Traditional Kung Fu

RULES

**International Competition of Traditional Forms of Kung Fu.
Forms of "Wushu" or modern are not accepted.**

Uniforms athletes

The athlete must perform the forms with the school uniform. This can be:

Kit traditional long trousers and jacket with long sleeves

Kit traditional long pants and jacket without sleeves

Kit traditional long pants and shirt (t-shirt)

The uniform must be clean and tidy, with or without the school logo and no sponsor.

Shoes must be traditional martial arts.

The use of heavy shoes or sneakers is no accepted

Weapons

The weapons are permitted:

Short weapons: short stick, saber, sword, knife, ventaglio

Long weapons : long stick, spear, halberd.

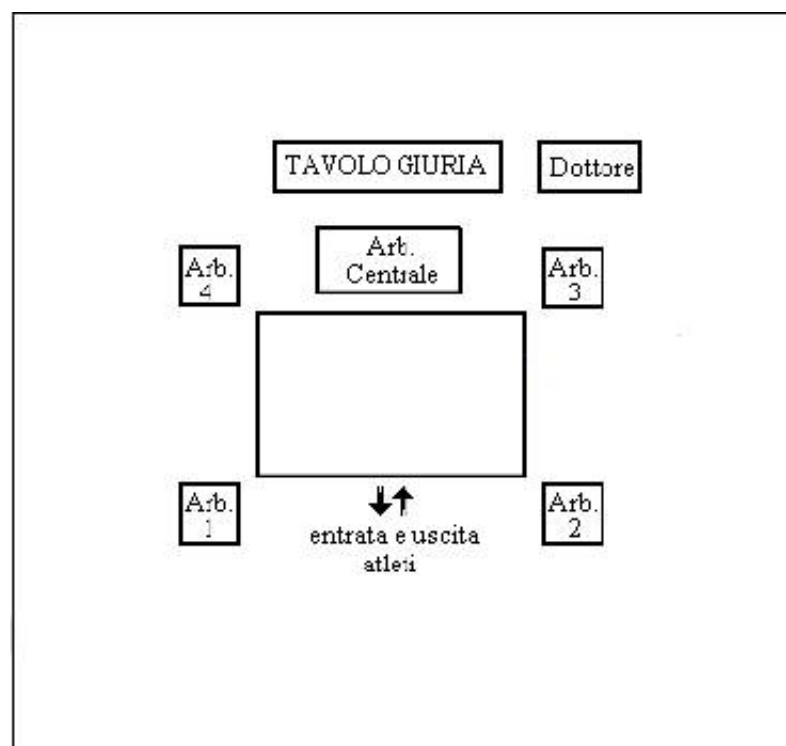

Articulated weapons: 2 section stick, 3 section stick, chain.

Double weapons: all weapons which involve the simultaneous handling.

To participate with other types of weapons not included in the list, the official of the company shall seek authorization prior to the race officials to the central table. The use of weapons must be appropriate to the type of style. All weapons must be rigid or semi-rigid (no flexible).

Area of Competition

The competition area will be 14 x 8 m

Competition area - rules

At the beginning of each category, all the athletes who are called, must be present on the outside line of the competition area, opposite the central referee to confirm the presence and control of uniform and weapons.

If an athlete is not present in this call will be disqualified.

All athletes for the class will be Positioned at the edge of the area of race

At the call of the speaker each athlete will be called by the speaker, performs the salute before entering the race, will be placed in front of the referee shall declare the name of the module and, optionally, the name of the Master and the School.

For the elevation of the white flag, the athlete begins his form from the point of the area you deem appropriate.

Parameters of evaluation forms

Martiality (clothes, appearance, courtesy)

Strength and coordination

Spirit and determination

Degree of difficulty

. Fairness and stability (positions)

Use and weapon mastery

Referees of Competition

The referees will be 5. Four referees in the corners of the contest area and a referee at the center. Of the five scores arbitration with the highest score and lowest are discarded. The final score is the sum of the remaining scores.

Play-off (Athletes arrive at the same score)

Consider first the two lowest scores dropped: the athlete with the highest score wins.

If the tie remains and all scores are equal, in this case there is a play-off between the athletes .

If the score is assigned from three arbitrators to determine the rankings we sum this 3 scores.

In case of a tie will be carried out another test.

Penalty

The use of weapons must be appropriate to the type of race. If the athlete does not comply with such rules shall be disqualified.

To all the races of forms, with or without weapons, it is forbidden to wear rings, necklaces, brooches, and any other object in the fall or rubbing may cause injury to the athlete himself.

If the athlete starts the race with one of these objects will be disqualified.

In case of interruption of the form the athlete is disqualified

Complaints and Appeals

The opinion of the arbitrators shall be final.

The complaints may relate only to clerical errors on entry forms of athletes or the result of a miscalculation.

In this case, the claims must be made at the central table arbitrators only from the head of the School.

TOUR POMPEI AND SORRENTO

The day of January 16, 2015 there will be a sightseeing tour with a visit to the archaeological excavations of Pompei and Sorrento with a minimum attendance of 40 people.

The cost of the tour with transfers, entrance to the archaeological area and lunch is expected to Euro 60,00

Those interested can book the names and enclosing the fee. The deadline for reservations is December 5, 2014.

If you do not reach the minimum number of 40 people, the fees paid will be returned.

ITINERARY

08.00 meeting of the participants and departure for Pompei

This tour will take us to the discovery of the archaeological excavations of Pompeii, by those who were the ancient splendor of the Roman Empire.

The excavations of Pompeii, differ from other archaeological sites because here you can see everything up to now has been recovered from the ashes that buried the Roman city during the eruption of 79 AD, and not what's left. Among the ruins of Pompeii, which was found to admire the sumptuous villas are still clearly visible where the frescoed walls, baths, theater, amphitheater and other forms of architecture as a demonstration of what was once the Empire richer and more prosperous Europe. Lunch in the restaurant and in the afternoon transfer to Sorrento.

On the way you can admire the tuff ridge that rises over the sea, and that has always made the famous Sorrentine Peninsula. We stop at Sorrento. Legend has it that the Sirens were to Ulysses draw on the rocks. This delightful town has a wonderful climate and a splendid view of the entire Gulf of Naples. You will have time to walk around the streets and alleys that branch out around the main square, where you can buy souvenirs or local produce in one of the many shops. In the evening return home

Rate per person based on minimum 40 paying persons: € 60,00

The price includes:
transport by luxury coach
entrance to the excavations of Pompei
lunch in a restaurant with water and wine included with meals
Full day guided tour of Pompei and Sorrento in English, Italian and French
insurance r.c
